PROFESSIONAL SUMMARY

Results-driven **Software Developer** with **3+ years of experience** building scalable, user-centric web applications. Proficient in modern frontend technologies, including **React, TypeScript, Next.js, Redux, Tailwind CSS, React Query, Chakra UI, Ant Design, and ShadCN**. Skilled in performance optimization, responsive design, and integrating user interfaces with backend systems.

Strong track record in **leading frontend teams, Agile development, and delivering high-quality products**. Passionate about building innovative solutions that enhance user experience and drive business success. Seeking opportunities to leverage my expertise in **React and modern web development** to build high-performance applications.

TECHNICAL SKILLS

Frontend: React.js, Next.js, TypeScript, Redux, React Query, Chakra UI, Ant Design, Tailwind CSS

Backend: Python, PHP, C#, JAVA

Databases: MySQL, Supabase, MariaDB

Version Control & DevOps: Git, GitHub, Bitbucket, AWS

APIs: REST, GraphQL

Testing & Optimization: Unit Testing, Performance Optimization, QA

PROFESSIONAL EXPERIENCE

Pushbio, UK (Remote) – Software Developer

August 2024 – March 2025

Pushbio.io: An all-in-one content management platform for creators, offering tools for course creation, payments, and website management.

- Implemented **responsive design principles**, ensuring seamless experiences across devices.
- Collaborated with product designers to refine UI/UX, increasing **user engagement and retention**.
- Joined **code reviews and Agile sprint planning**, ensuring high development standards.

- Built an **onboarding system** that streamlined new user setup, reducing friction by **40%**.
- Developed a **collaboration feature**, enabling seamless teamwork for creators.

Key Achievements:

- ✓ Delivered features on schedule, improving **platform performance and user satisfaction**.
- ✓ Enhanced real-time updates, leading to a **boost in user engagement**.

Async Techs Limited, Nigeria (Remote) – Software Developer

April 2024 – October 2024

MS Bullion Admin: A business accounting software for performance analytics, inventory management, and reporting.
